WELCOME!

The older I get, the more I find myself seeking out the people, places, and things that make me feel comfortable.

I don't think I have ever been more appreciative of my family, friends, and coworkers – or of the opportunity we have to contribute to the comfort of others via Bedford Collections.

In this catalog you will find exciting new products, enduring favorites, and some fresh colors and styles.

We were delighted to take many pictures of our products at the Bedford Village Inn and The Grand, its contemporary counterpart, located in Bedford, NH. I want to personally thank Jack and Andrea for making their lovely Inn and hotel the backdrop for our 2018 catalog.

And I want to thank you for your continued support. I hope you enjoy reviewing our 2018 catalog as much as we enjoyed creating it!
