**1** **A Tubeless, Waterproof\* Pod**  
Free yourself from daily injections, tubing  
hassles, and limited clothing choices

**2** **A Touch-Screen  
Personal Diabetes  
Manager (PDM)**  
Discreet insulin delivery  
with a few finger taps

**3** **iOS Mobile apps**  
**Omnipod DISPLAY™** Convenient access  
to Omnipod DASH™ System data from  
your smartphone  
**Omnipod VIEW™** Allows caregivers to remotely  
view your PDM data  
**Omnipod® iPhone widgets** A quick glance of  
PDM and CGM data together on one screen

\* The Pod has an IP28 rating for up to 25 feet for 60 minutes. The PDM is not waterproof.

# SO SIMPLE TO GET STARTED

1

## FILL THE POD

Fill Pod with up to 200 units of insulin

2

## APPLY THE POD

The tubeless Pod can be worn almost anywhere an injection would be administered

3

## TAP "START" ON THE PDM

The small, flexible cannula inserts automatically; you'll never see it and barely feel it

# NO NEED FOR MANUAL BLOOD GLUCOSE ENTRIES

The Only Meter to Wirelessly Sync Readings to The Omnipod DASH™ Personal Diabetes Manager

## OPTIMIZED FOR USE WITH THE OMNIPOD DASH™ SYSTEM, AND YOUR LIFE.

- The highly accurate<sup>1</sup> Bluetooth®-enabled CONTOUR®NEXT ONE Meter wirelessly transmits blood glucose readings to the Personal Diabetes Manager
- Eliminates the need for manual entry of blood glucose readings, and the potential for user entry errors when calculating insulin dosing
- The smartLIGHT target range indicator aligns with the PDM and immediately identifies if blood glucose readings are above, below or within the patient's target range<sup>2</sup>
- Second-Chance® sampling allows you 60 seconds to reapply more blood which may help prevent wasted test strips<sup>2</sup>
- Stores up to 800 blood glucose readings

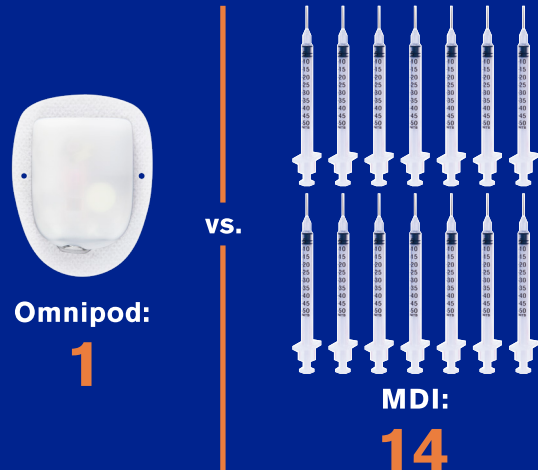

**Contour**

<sup>2</sup> CONTOUR®NEXT ONE User Guide

# APPLY A NEW POD EVERY 3 DAYS AND AVOID 14 INJECTIONS

Average number of injections required every 3 days  
(MDI: ~4.5 per day)

## Consistent, Hands-Free Insertion

- No need to see or touch an insertion needle
- Wear the Pod almost anywhere you would manually inject insulin

## Discreet Insulin Delivery

- Quick and easy bolus dosing delivered with a few finger taps on the Personal Diabetes Manager
- No need to interrupt daily activities for manual injections

## Precise

- Remove the guesswork and variability of injections
- Eliminate the need for blood glucose logs
- Deliver insulin in increments of 0.05 units

*Marvin J.*  
PODDER™ SINCE 2016

## FEEL WHAT IT'S LIKE TO WEAR A POD

Get a Podder™  
Experience Kit at  
No Cost – Just Call  
800-591-3455

# PUMP BENEFITS, PLUS POD COMFORT AND CONVENIENCE

## The Pod is Waterproof\* – No Need to Disconnect to Shower or Swim

Stay connected to your basal insulin delivery – and your favorite activities, without being tied down.

## No Worrying about Tubes or Site Limitations

Having diabetes is difficult enough. Why put up with tubing that can limit your range of motion and pumps that can be a struggle to wear?

## No Wardrobe Compromises

With the Pod you won't have to make clothing choices to accommodate a bulky traditional insulin pump or tubing.

## ACTUAL SIZE

*Joy S.*

PODDER™ SINCE 2014

\* The Pod has an IP28 rating for up to 25 feet for 60 minutes. The Personal Diabetes Manager is not waterproof.

**WHY A  
DOCTOR  
CHOSE TO BE  
A PODDER™**

Questions? Call us anytime  
at 800-591-3455 or visit  
[www.myomnipod.com](http://www.myomnipod.com)

*“My focus on my health is so much easier now so I can live, laugh, and enjoy life more.”*

*Dr. Sita S.*

PODDER™ SINCE 2016

**EASE OF USE**

Like many of her patients, Dr. S. does not like taking shots. “With the Pod, I feel a little pinch 1 time every 3 days instead of 5 painful shots every day. It’s so much easier to be compliant with my care.”

# EXCEPTIONAL CUSTOMER SERVICE AND SUPPORT

## Product Support

Available to you 24 hours a day, 7 days a week, even if you are traveling abroad

## Multiple Languages

Translation services available for over 150 languages

## Patient Training

Access to Joslin ADEPT™ certified clinicians to support your educational needs\*
